CITY-WIDE EDUCATIONAL COALITION

Nov. 15, 1977

To: Mary Ellen Smith
From: Leroy J. Walker
Subject: Response from Dr. Louis Perullo

As the attached copy of my letter (10/28) to Dr. Perullo illustrates, I requested three separate sets of information. The only request which was satisfied in full was Request I.

There was no written or printed information provided for Request II. Dr. Perullo's verbal suggestion was that I examine the District IX 1976-1977 Annual Report regarding transfers and discharges. According to our Research Director, CWEC does not have a copy of this report. Even so, the information as described would not provide the names necessary to contact and interview former magnet school parents.

I received a numerical breakdown of students who requested and received magnet schools as first, second and third preferences. There was no response to the request for information on students who requested but did not receive a magnet school.

It should be noted that the required names for Requests II and III were refused because of what Dr. Perullo termed "Freedom of Information Act" regulations. Needless to mention it is impossible to carry out a survey research design without the names of the identified sample.

TO:       Leroy J. Walker, Project Director - Magnet School Features Research Project
FROM:    Louis P. Perullo, Director - Department of Management Information
SUBJECT: Data Requested

Enclosed please find some information that you requested. I believe it would be worth your while to look into the District IX Annual School Reports 1976-77 school year and the District Report for information concerning transfers and discharges from District IX schools.

If I can be of additional assistance to you, please call.
