Advisory Board, Citizens for Tomorrow

Date: February 25th, 1954
Place: Kohn’s, 52 Rutledge Rd., Belmont
Time: 8:00 p.m.

Present: Elaine and Warren Kohn, Jack Cohen, Basilla Neilan and Muriel Snowden

This meeting had originally been scheduled as a fund-raising party, but because of some difficulties in execution, it was switched to a meeting for the members of the Advisory Board.

Because there were so few of us present, we engaged in only informal discussion of the problems of Citizens for Tomorrow.

1. The Project

Basilla felt strongly that every effort should be made to continue the project because it has been going so well.

2. Finances

Jack felt equally as strongly that this Advisory Board has no right to incur additional expenses when there is already an outstanding indebtedness. He proposed that until such time as we can see our way financially, all expenses should cease at the end of the next two-week period. (March 13th)

3. The Advisory Board

Discussion centered about the inactivity of the Board in planning and executing an organized effort to secure funds. Again Jack stated the need for curtailment of expenditures until when and if Board responsibility is fixed.

4. Recommendation

that a full meeting of the current Board be planned immediately.
Date: March 4th
Place: the Kohn’s.

Elaine Kohn volunteered to call the members to urge them to be present in view of the crisis situation.

Respectfully submitted,

Muriel Snowden
Secretary to the Advisory Board
