December 10, 1963

HOW? - METHOD

1. Organization of those interested into a JOINT SPONSORING COMMITTEE FOR HOME VISITS.

2. Set a date for the first HOME VISIT DAY - perhaps a Sunday afternoon or evening in mid-January.

3. Compile lists of potential "host" and "visiting" families.

4. Draft an information card to be sent out to each as a way of helping to "match" families:
   - Name, address, telephone number
   - Number, ages, and grade in school of children at home
   - Father's occupation - Mother's occupation
   - Father's educational background - Mother's educational background
   - Hobbies, special interests, things family likes to do together

5. Determine a meeting place in Roxbury (might rotate) for brief orientation session on day of visit.

6. Draw up points to be covered in such a session.

7. Draw up a sheet for evaluation of visit by both the host and visiting family.
